

Defensible Space is Your Responsibility

It can mean the difference between
this

Defensible Space is State Law

These homeowners have
taken responsibility -
You can do the same

- Create a fire safe landscape at least 30 feet around your home
- Mix fire resistant and native plants with green lawn
- Space trees and shrubs at least 10 feet apart
- Remove lower tree branches within six feet of the ground
- Maintain your landscape with regular watering and weeding
